

* Nations are grouped in tiers based on World Bank's system for classifying national economies by income per capita. Tier 1 corresponds to the World Bank's list of high income nations and Tier 2 the upper middle income nations. Tier 3 includes all nations whose economies do not yet reach the Tier 2 level. To learn more about this system see World Bank's country classifications. The number next to each country on the list below represents its Tier. Use the chart above to determine membership dues in your country.
