

## CALL FOR PAPERS

### JOURNAL OF PERSONAL FINANCE

([www.JournalofPersonalFinance.com](http://www.JournalofPersonalFinance.com))

#### OVERVIEW

The new Journal of Personal Finance is seeking high quality manuscripts in topics related to household financial decision making. The journal is committed to providing high quality article reviews in a single-reviewer format within 45 days of submission. JFP encourages submission of manuscripts that advance the emerging literature in personal finance on topics that include:

- household portfolio choice
- retirement planning and income distribution
- individual financial decision making
- household risk management
- life cycle consumption and asset allocation
- investment research relevant to individual portfolios
- household credit use
- professional financial advice and its regulation
- behavioral factors related to financial decisions
- financial education and literacy

#### EDITORIAL BOARD

The journal is also seeking editorial board members. Please send a current CV and sample review to the editor. JPF is committed to providing timely, high quality reviews in a single reviewer format.
