Guidelines and Template for Authors

Consumer Interests Annual (CIA) is published electronically on the ACCI website. This guide outlines the style and format for manuscripts for the 2013 issue. Manuscripts that do not conform to these guidelines will be returned to the author for corrections.

Deadline for Submissions: 3 May 2013

Please send to Karen Duncan, Conference Proceedings Editor, at Karen.Duncan@umanitoba.ca

Paper Types

Abstracts, extended abstracts, or full papers will be accepted. Authors should follow the American Psychological Association (APA) 6th edition for style.

Document Submissions

Abstracts, extended abstracts, or full papers should be submitted as .doc or .docx files using Microsoft Word, only. No other format will be accepted. A verification e-mail will be sent to you upon receipt of your manuscript or abstract. If you don't receive the verification e-mail, please contact M.J. Kabaci, Conference Proceedings Editor, at Karen.Duncan@umanitoba.ca

Format

A template of the accepted format for manuscripts and abstracts follows on the next page of these guidelines. All submitted manuscripts and abstracts should follow this template. For tables and figures, please refer to the American Psychological Association (APA) 6th edition. These will carry a copyright by ACCI.

**Line 1 of the Title in Bold Arial 12 pt. Font
Followed by Line 2 if Necessary**

**First Author Name, First Author Institution¹
Second Author Name, Second Author Institution²**

This is the template for *Consumer Interests Annual* (CIA) submissions. Please note that submissions that do not adhere to this template will be returned to the authors with a request that the abstract or paper be resubmitted. **CIA submissions that do not adhere to this template will not be included in the proceedings.** PowerPoint and other presentation slides will not be accepted; authors should convert the presentation slides into this proceedings format.

The text of the abstract, extended abstract, or full paper may be pasted here. If submitting an abstract, then simply use this template without any other section headings. If submitting a full paper, use this template but add section headings to denote the Abstract, Introduction, Literature Review, Methods, Results, Discussion, and References (or the section heading titles used in your manuscript) in a manner similar to the "References" section heading below (i.e. centered, bold Arial 10 pt. font). Use left justification.

Note that with the exception of the paper title, all text is Arial 10 pt. font. The margins on the page are set at 1" all around, paragraphs are single spaced, and the body of the abstract/paper uses full justification. **Please include the author name(s) and affiliation(s) without using the footnote or endnote function.** When the submissions are aggregated the footnote or endnote functions cause numbering problems throughout the document. Submissions that include footnote, endnote, or citation software macros will be returned to the authors and will not be included in the proceedings unless removed by the authors. Do not insert page numbers, as page numbers will be added once all submissions are combined for the final CIA document.
